## Top Consumer Tip:

Never! Never!

Never Clean Coins!

Cleaning, wiping, or shining of coins does not increase their value and almost always decreases it!

"As a businessman, Heller has grown Liberty Coin Service in Lansing, Michigan, from a three-person staff in 1982 to a 22-person staff today. The company's 2011 sales volume was 50 times greater than in 1982. He also helped secure sales and use tax exemptions for rare coins and precious metals in Michigan, and has assisted the Michigan Attorney General's office on investigations of consumer fraud involving numismatics."

—News Release, August 7, 2012 by the American Numismatic Association announcing that Liberty Coins former owner Patrick A. Heller, has been honored with the ANA's National Coin Dealer of the Year Award

"You are always terrific."

—November 2012 comment from an internationally-renowned commodity trader who has been a Liberty Coin Service customer since 1995

# TOP TEN

## REASONS

### to bring your Treasures to Award-Winning Liberty Coins

1. Founded in 1971. Located in the Frandor Shopping Center since 1975
2. Michigan's largest rare coin and precious metals dealership. We have grown to a staff of 15, with more than 250 years of collector experience, through strong buying prices and fair customer satisfaction policies.
3. Staff have made hundreds of presentations to schools, senior citizens groups, churches, fraternal organizations, scouts, and coin clubs in the Lansing area, across Michigan, and nationwide. Subjects include "Fun With Money", consumer protection issues, "Create Fun-Filled Numismatic Presentations For The General Public", and "The Rise and Fall of Rome's Money and What it Means for America Today".
4. One of only five companies in the world with four or more members of the elite Professional Numismatists Guild! There are only a handful of other PNG members in the entire state of Michigan.
5. Lansing police license #1 for purchasing gems, jewelry, and precious metals from the public.
6. We are one of only a handful of jewelry buyers in Michigan who own a Olympus XRF machine. Licensed by the State of Michigan. This allows us to precisely determine the purity of jewelry and coins if the need arises. We also have other testing equipment to check authenticity. By avoiding mistakes in purchasing counterfeit jewelry, we can pay sellers of genuine precious metals jewelry a higher price.
7. Staff specialties include all US coins and paper money, world coins and paper money, ancient coins, coin errors, tokens and medals, historic documents and pre-1950 autographs, antique toys, pre-1950 sports memorabilia, and more. We are contributors to multiple reference catalogues. David Hartung is a Gemological Institute of America-certified Graduate in Diamonds.
8. We are authorized dealers for all the major coin and paper money grading services: PCGS, NGC, ANACS, PMG. We are the only PNG-Accredited Precious Metals Dealer in Michigan. We are also the only Michigan dealer participating in the Royal Canadian Mint Bullion DNA program.
9. Because of our national volume, we are also a wholesale market-maker for Michigan dealers. It makes sense to sell where our competitors go to sell. We offer you more because we have customers for what you have!
10. Honors include:
  - 2012 ANA National Coin Dealer of the Year, 2017 ANA Exemplary Service Award, 2018 ANA Glenn Smedley Memorial Award.
  - Seven time Numismatic Literary Guild for best Radio Program (Things You 'Know' That Just Aren't So, And Important Things You Need to know, broadcast 8:45 AM Wednesdays, and Fridays on 1320-AM WILS)
  - 2011 MSNS Presidential Award
  - 2010 PNG Abe Kossof Founder's Award (PNG's highest award)
  - 2010 Entrepreneurial Awards of Greater Lansing-Retail
  - 2008 ANA Presidential Award
  - 2004 Entrepreneurial Awards of Greater Lansing-Socially Responsible
  - 2004 unofficial runner up for Michigan Retailer of the Year (also nominated in 2002, 2000, and 1999).
  - 2003 MSNS George Hatie Memorial award (MSNS's highest award).
  - 2001-2004 LCS owner emeritus Patrick A. Heller was appointed by former Governor John Engler to serve on the Michigan Quarter Commission. He was one of four people who met with former Governor Jennifer Granholm to select the design of the 2004 Michigan Statehood Quarter. Heller wrote the instructions to the US Mint engravers for all five design candidate themes, making him the "unofficial artist" of the Michigan Quarter.
